Buildings and Roads Branch.
Account.

Read the following papers :—

No. 7. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads Branch—through the Examiner of Public Works Accounts—dated Fort St. George, 14th April 1877, No. 209.

With reference to G.O., No. 1,088, dated 28th March 1877, I have the honor to inform you that the precise amount needed for opening the Cooum Bar is Rupees 1,799-6-0, as per bill submitted with my letter No. 6,410, dated 12th March 1877. This amount was expended in March 1877 in anticipation of provision of funds during the year 1876-77; hence an allotment from the Budget provision for 1877-78 is not necessary.

2. The Examiner may be authorized to omit this item in his Statement of Objectionable Items for March 1877.
