3. You are aware, Sir, that even in ordinary times there is much difficulty in procuring passed men to fill up the permanent vacancies in this district.

4. Under these circumstances, I beg to recommend that the examination rules, with reference to the extra establishment entertained as a temporary measure, may be relaxed so far as this district is concerned, and to request that you will kindly authorize the Examiner of Public Works Accounts to pass the full salary of the individuals employed for the posts in question from the date of their entertainment.

5. The Examiner's List* of Disallowances, No. 835 of 1876-77, bearing correspondence on the above subject, is enclosed for your information.
