(Signed) J. H. M. SHAW-STEWART, Lt.-Col., R.E.,
Consulting Engineer for Railways.

*Proceedings of the Madras Government, Public Works Department,
5th January 1877. No. 52.*

From Major P. LAMBERT, R.E., Examiner of Railway Accounts, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 18th November 1876, No. 1,407.

I HAVE the honor to submit herewith the Regular Estimate of the cost of this office for 1876-77, and the Budget Estimate for 1877-78, and to offer the following remarks on the differences in either case from the budget allotment for 1876-77:

2. The Regular Estimate for the current official year shows a net increase of Rupees 2,616 over the Budget Estimate, due principally to the transfers made by the Government of India during the current year in the office staff. A Major of the Royal Engineers having been appointed as Examiner, his pay at the increased rate of Rupees 1,183 per mensem against Rupees 995 provided for in the Budget has to be disbursed. The transfer of an additional Deputy Examiner from Bombay has tended to the increase of the amount provided for that officer. The extra provision in the Regular Estimate for travelling allowances of Examiner and Assistants is caused by the interchange of officers from one province to another.

3. The increase in the Budget Estimate for the coming official year over the Regular Estimate of the current year is consequent on the proposed additions to the establishment as detailed in my letter No. 1,337, dated 30th October last.
