*Proceedings of the Madras Government, Public Works Department,
15th February 1877. No. 510.*

No. 373. Read the following letter from F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to Lieutenant-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, dated Madras, 7th February 1877, No. 103-W :—

I HAVE the honor to report that Mr. J. H. Dennison having been appointed Master Attendant at Negapatam, I have to find a Store-keeper for those works in his place.

2. I think the present a good opportunity for making some changes in the pay of the staff employed in the stores, and I have now the honor to lay my proposals before you hoping that they may receive Government sanction.

3. The present amount of pay sanctioned for the store establishment is Rupees 377 per mensem. Of this, Rupees 327 per mensem have been paid away for the last four or five months.

This was paid in the following manner :—

	RS.	RS.
Mr. Dennison, Store-keeper	300	350
One Clerk	15	
Two Lascars at Rupees 6	12	27
	327	377

In place of this arrangement, I propose the following :—

Store-keeper	Rs. 120 with power to increase to Rs. 200
One Clerk	„ 20
Two Lascars at Rs. 7	„ 14
	154

4. My reason for increasing the pay of the Clerk is because I think his work entitles him to some higher wages, and I propose giving an extra rupee a month to the lascars to bring their pay up to the same as the office lascars, who do not have so much work to do as the men in the store.

5. I have put a Mr. B. Lindsay (European) in charge of the stores at present. He has for a long time been waiting for employment on these works and has very good recommendations from Mr. Loch, the President of the Municipal Commission. I propose giving him one month's trial.

6. I further have the honor to state that Mr. M. Ross, the Superintendent of Quarries, has applied to both Mr. Parkes and myself to know if his pay cannot be raised. He at present receives Rupees 200 a month, which I consider very fair pay for superintending the Ambatoor quarry; but now that he has to divide his time between Ambatoor and Chinnamapett (36 miles out), I would submit that something might be given him in consideration of this increase of work. I would state that Mr. Parkes, the Engineer in Chief, considered that Mr. Ross might justly have an increase of pay.

7. I shall be glad to know as soon as convenient if these proposals meet with the approval of Government.

No. 374. ORDER THEREON, 15th February 1877, No. 510.

CIVIL WORKS, No. 27.

Mr. THOROWGOOD's proposals relating to the pay of the several members of the Store Department are sanctioned.

Proceedings of the Madras Government, Public Works Department,
15th February 1877. No. 510.

2. The Government also approve of an increase of pay to the Quarry Superintendent, whose salary will henceforth be Rupees 230 per mensem.
