RESOLUTION—by the Government of India, Financial Department, dated 9th December 1876, No. 3,018.

FUNDS are provided for the public service chiefly from the General Revenues, Imperial or Provincial, but partly from local resources. As a rule, the services supported from local resources are substantially as much *public* services as those of which the cost is defrayed from the General Revenues.

2. Nevertheless it seems to be sometimes supposed that subordinate Government Officers, even though their whole time is engaged by the State, should not be required to perform duties connected with services supported from local resources without separate additional remuneration charged to these resources.

3. The President in Council accordingly deems it expedient to remark, for the guidance of Local Governments and Administrations, that, when the whole time of an officer is paid for by the State, the Government is at full liberty to employ him, in his own sphere, upon the public service in such manner as may be convenient; and that such an officer is not entitled to separate or additional remuneration for any duty which he may be required to perform connected with a service the cost of which is borne by Local Funds.

4. The only question which can arise in such a case is, whether a part of the officer's salary should be charged to the Local Funds concerned.

5. An officer who would have no claim to extra remuneration from the General Revenues if any duty which he may be required to perform were connected with some service the cost of which was a charge upon the General Revenues, is not entitled to extra remuneration because such duty may be connected with a service paid for from Local Funds.

ORDER.—Ordered, that this Resolution be distributed for information and guidance as follows:—

- 1.—To the several Departments of the Government of India.
- 2.—To the several Local Governments and Administrations.
- 3.—To the Comptroller-General and to the several Accountants-General and Deputy Accountants-General in independent charge.
- 4.—To the several Chiefs of Departments administered by the Government of India in the Financial Department.
