Read the following paper:—

No. 13. From Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Fort St. George, 27th July 1877, No. 25 EB.

In G.O., Public Works Department, No. 3,103, dated 20th November 1876, the Examiner of Public Works Accounts was authorized to place Rupees 50,000 per mensem at the disposal of each of the officers in charge of the Eskapalli and Kotapatam Divisions, commencing from the 1st of November 1876. The following sums have accordingly been granted to the Executive Officer, Eskapalli Division, on applications being received from that division:—

	RS.
November 1876	10,000
December "	50,000

April "	90,000
May "	90,000
June "	80,000

Total	4,42,000

2. It will be seen from the above that in some months more than Rupees 50,000 have been granted, but the total amount grantable from November 1876 to July 1877 (Rupees 50,000 × 9 = Rupees 4,50,000) has not been exceeded.

3. In his application for credit for August 1877 the Executive Officer, Eskapalli Division, required Rupees 80,000, which this office granted upon the authority of the Chief Engineer for Buildings and Roads.

4. I have the honor therefore to request that you will be so good as to obtain the sanction of Government to this step, and to inform me whether future applications in excess of the monthly limit of Rupees 50,000 may be complied with in the case of both the Eskapalli and Kotapatam Divisions.
