*Proceedings of the Madras Government, Public Works Department,
17th February 1877. No. 524.*

No. 398. Read the following endorsement of the Chief Engineer for Irrigation, dated Fort St. George, 15th February 1877, No. 108 W. :—

From J. H. LATHAM Esq., Chief Engineer and Manager, Madras Irrigation and Canal Company, to Lieutenant-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, dated Kurnool, 7th February 1877, No. 13.

In reference to my letter No. 110 of 24th October last, forwarding a bill of the cost of surveys called for in G.O. No. 2,657 of 3rd idem, I have the honor to

say that the Government Auditor informs me, that the Government Examiner desires the vouchers to be examined, and that this will require an addition to the staff of clerks. I enclose a copy of his letter.

I therefore ask the sanction of Government to the salary and appointment of two clerks, the one on Rupees 35 to be engaged exclusively on this work, and the other on Rupees 30 to release a senior clerk, so as to enable the latter to give an equivalent portion of his time to the business.

The total expense will be Rupees 65 a month, say for six months, or a total of—

Salary of clerks 6 × 65	...	...	...	...	Rupees 390
Superintendence on $\frac{1}{2}$	...	...	...	...	„ 130

Rupees 520 Say Rs. 600

chargeable to Capital Account. It is impossible to say certainly what length of time will be required, but I suppose it not likely to reach six months.

I will engage clerks in anticipation of sanction, in order to avoid delay as much as possible.

From Mr. St. JOHN BUCHAN, Chief Accountant and Government Auditor, to J. H. LATHAM, Esq., Chief Engineer and Manager, Madras Irrigation and Canal Company, dated Kurnool, 7th February 1877, No. 396.

With reference to the statements of survey operations, the Government Examiner desires that vouchers be examined. The examination of vouchers will be a long matter and first of all a search for them will have to be made. This will entail the necessity of employing an additional hand or two. I should propose that a man on Rupees 35 per month be engaged specially for the search, &c. This man will require some help. I shall depute an experienced clerk in the Accounts Office to assist him. But the Accounts Staff is a small one at present, and if a clerk is taken away to assist in the search, I will require another hand to assist in the current work of the office. The clerk I intend deputing to assist draws Rupees 50 per month. I would propose that a man be engaged on Rupees 30 per month to supply his place somewhat in the office.

SUBMITTED to Government.

(Signed) JOHN MULLINS, Lt.-Col. R.E.,
Chief Engineer for Irrigation.
