ACCOUNT, No. 17-A.

With his letter No. 214, dated 2nd February 1877, the District Engineer, Malabar, submits a list of works for which additional appropriations are required.

IMPERIAL ORDINARY.

It is observed, with reference to Item No. 2, *Post Office at Tellicherry*, that in G.O., No. 368, dated 3rd February 1877, a sum of Rupees 377 has been granted to meet in part the liability of Rupees 600 raised on account of the work. The balance being ordered to be charged to stock.

Proceedings of the Madras Government, Public Works Department,
17th February 1877. No. 533.

The following transfers are made to cover expenditure on the remaining item:—

From	Rs.	To	Rs.
Budget Item No. 2.—New double storied Hospital for 90 patients with out-houses at Poonamallee ...	507	Item No. 1.—Dismantling and rebuilding the wall of the Magazine of the 9th and 25th Regiments Native Infantry, at Cannanore ...	507
Do. do. ...	1,500	Item No. 3.—Improvements to the drains in the European Barracks at Cannanore, Budget Item No. 13 ...	1,500

The District Engineer will however explain the circumstances under which outlay was incurred on the Magazine of the 9th and 25th Regiments, Native Infantry, at Cannanore without authority, and in the absence of funds.

PROVINCIAL.

Item No. 1.—Sub-Registrar's Office at Anjira Kundy.—Rupees 3,000 are applied for on account of this work; but as there is a provision of Rupees 3,845 in the Provincial Budget (Item No. 4) the sum applied for does not seem to be required.
