Buildings and Roads.

Civil Works.

Read the following paper:—

No. 66. From J. P. DAVIDSON, Esq., Acting District Engineer, South Canara, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Mangalore, 28th July 1877, No. 35.

With reference to paragraph 2 of G.O. No. 299 W of 26th ultimo, passing orders on the statement of objectionable items in the accounts of Executive Officers for February 1877 under Special, I have the honor to inform you that the preparation now of an estimate for the expenditure which was incurred from the year 1872-73 is a difficult task. The work on which the expenditure was incurred comprises surveys, levels, soundings, &c., for recording changes in the harbour, as stated in G.O. No. 2,599 of 10th September 1875.

2. The total expenditure incurred on the harbour work up to the end of the year 1876-77 amounts to Rupees 1,815-15-5; of this amount Rupees 413-13-1, being the expenditure incurred in 1873-74, was passed in G.O. No. 1,192 B of 4th May 1874; this Government Order also authorized a further expenditure of Rupees 360 during 1874-75.

3. G.O. No. 2,599 of the 10th September 1875 sanctioned an allotment of Rupees 400 for expenditure during 1875-76.

4. G.O. No. 2,055 of 10th August 1876 sanctioned an allotment of Rs. 400 for expenditure during 1876-77, and directed the District Engineer to account for it to the Chief Engineer; accordingly a bill amounting to Rupees 300 was submitted with this office letter No. 16 of 19th May 1877. No orders have up to date been passed on this.

5. Under these circumstances, I request that Government may be pleased to pass without estimate the entire expenditure incurred up to 1876-77 on the Mangalore Harbour.

6. Should the Government still consider that an estimate is absolutely necessary for formal sanction, I beg to submit herewith an estimate, amounting to Rupees 2,115, which I request that Government may be pleased to sanction.

7. In this estimate I have made provision for expenditure during current official year, and therefore request that an allotment of Rupees 500 may be granted as applied for in the list of incomplete works, dated the 19th April 1877.

No. 67. ORDER THEREON, 6th August 1877, No. 548 W.
