ADVERTING to paragraph 3 of G.O., No. 1,756, of the 11th July last, I have the honor to forward, for the information of One copy of the Madura Range Officer's letter, No. 3,418, dated 11th February 1,877, with its enclosure. Government, copy of the Madura Range Officer's letter, No. 3,418 of the 11th instant, regarding the loss of Government money to the amount of, it is presumed, Rupees 150.

2. The further information promised in paragraph 2 of Mr. Paynter's letter will be forwarded on its receipt.

From L. W. PAYNTER, Esq., Executive Engineer, Madura Division, to W. S. HARRINGTON, Esq., District Engineer, Madura, dated Camp, Pommacottay, 11th February 1877, No. 3,418.

I HAVE the honor to forward the accompanying copy of a letter, No. 469, dated 7th instant, from the Overseer in charge of the Zemindary sub-division, reporting the loss of Government funds to the amount of, it is presumed, Rupees 150.

I shall obtain further information from the Overseer, and report to you as soon as practicable. I send this on to you immediately as directed in G.O. No. 1,756, dated 11th July 1876.

From Mr. J. FONSECA, Acting Sub-Divisional Officer, to L. W. PAYNTER, Esq., Executive Engineer, Madura Division, dated Permangudy, 7th February 1877, No. 469.

I BEG to report that on the 1st instant I sent my Lascar, Saidu, (a Paumben man) from Mandapasalay to Shevagungah with a cheque for Rupees 300, drawn in favor of the Store Kaval at that place, to be cashed and taken to Arupocottah, where I hoped to have gone by the time he returned; and owing to rumours of dacoities on the way I also allowed him a companion (an old standing lascar of the District Engineer's office), named Nagalingum, and well acquainted in the department, and who came to me for an employment. The cheque was cashed on the 2nd instant, the amount divided between the two men for the sake of safety, as the Store Kaval is said to have imagined, and the men despatched on the morning of the 3rd instant. They walked together till they arrived at Ladanainthel, and on the lascar separating to answer the calls of nature lost sight of his companion. He inquired after the man at the first village he went into, but could not get a clue of which side he had gone; being a stranger to the place Lascar Saidu lost his way to Arupucottah, and accidentally met me at Tiroochooly on the 4th instant. I was under the impression that the man (cooly) had gone on to Arupucottah as directed, and would re-join me in a day or two, being on the move myself; but up to date I find no signs of him. I therefore hasten to report the matter to you for instructions.

I have also on this date given notice to the Police.
