GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

6th August 1877, No. 551 W.

Buildings and Roads.

Civil Works.

Read the following paper:—

No. 72. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads—through the Examiner of Public Works Accounts—dated Fort St. George, 31st July 1877, No. 2,428.

I HAVE the honor to report that the punt for the Cooum conservancy which was constructed under sanction accorded in G.O., No. 3,097, dated 20th November 1876, was carried away into the sea by the late flood in the Cooum river. It was secured near the boat house, and therefore the loss was not due to any neglect on the part of the peon in charge.

2. A careful search has been made to discover whether the punt was capsized, but as yet it has not been found.

3. Under these circumstances, I solicit that Government will be good enough to sanction the punt being struck off the books of this office.

No. 73. ORDER THEREON, 6th August 1877, No. 551 W.

THE District Engineer's proposal is approved.
