*Proceedings of the Madras Government, Public Works Department,
21st February 1877. No. 576.*

No. 494. Read the following letter from Captain G. F. L. MARSHALL, R.E., Officiating Assistant Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous,) to Lieut.-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, dated Fort William, 10th February 1877, No. 44-M:—

REFERRING to the correspondence ending with your letter No. 81 of 10th January last, I am directed to communicate the sanction of the Government of India to the erection of a permanent tide gauge at the port of Madras at an estimated cost of Rupees 875.

	Per mensem.
	RS.
1 European or East Indian on ...	30
1 Peon ...	7
Contingencies ...	10
Total...	47

2. I am also to communicate sanction to the establishment required to work the gauge at a cost of Rupees 47 per mensem, as noted on the margin.

3. In communicating this sanction I am to observe that this work should be considered as a part of the Madras Harbour Works, and all expenses connected with its construction and establishment should be charged to those works.

4. The proposals for repetition and extension of the survey of the Madras Roadstead, referred to in the Proceedings which accompanied your letter No. 2,923 of the 31st October last, have been noted and further orders will follow shortly.

5. I am also to request that with the permission of His Excellency the Governor in Council the Government of India may be furnished with a plan of the survey as now completed.

6. The sanction accorded in paragraph 1 has been registered in this office as No. 25-M of 1876-77.

No 495. ORDER THEREON, 21st February 1877, No. 576.

CIVIL WORKS, No. 39.

COMMUNICATED to the Marine Department and to the Superintendent, Madras Harbour Works, who will furnish the plan required by the Government of India.

(True Extract.)
