No. 141. Endorsement of the District Engineer, Salem, dated 9th August 1877,
No. 67 S.L.

From R. E. NORFOR, Esq., Executive Engineer, Salem Range, to Major P. MONTGOMERIE, R.E., District Engineer, Salem, dated Salem, 3rd August 1877, No. 641.

IN acknowledging receipt of your No. 541, dated the 31st ultimo, I have the honor to state that all minor works, *i.e.*, works below Rupees 1,000, have been lumped together in the monthly schedules of expenditure as is the case with the weekly return; arrangements however were made to detail them prior to the receipt of your memorandum under reply.

2. I avail myself of this favorable opportunity to request you will obtain the sanction of Government for the entertainment of a Draftsman on Rupees 30 and an Accountant on Rupees 20 during the continuance of the famine; the salaries of these men to be audited by the Examiner. My limited office establishment, although working over-time, find it difficult to get on with the work satisfactorily, and which will shortly be increased when the Local Fund Roads are taken up by our department. Under these circumstances, I beg you will be pleased to permit me to entertain the two extra hands in anticipation of sanction.

SUBMITTED to the Secretary to Government, Public Works Department, for sanction for the entertainment of a Draftsman on Rupees 30 and a Clerk on 20 Rupees per mensem as a temporary measure.

2. The Range Officer has been authorized to entertain the establishment in anticipation of sanction.

3. The work in the Salem Range has been increased tenfold owing to the large number of famine works under execution.

(Signed) P. MONTGOMERIE, Major, R.E.,
District Engineer, Salem.
