*Proceedings of the Madras Government, Public Works Department,
22nd February 1877. No. 598.*

No. 535. Read the following endorsement of the Chief Secretary to Government, Ecclesiastical Department, dated 15th February 1877, No. 369:—

From the Right Rev. Dr. FENNELLY, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 13th February, 1877, No. 6.

THE Roman Catholic Chaplain of Poonamallee has represented to me that benches are much required in the Roman Catholic Church at that station for the accommodation of the soldiers. When the church was built in 1840 some benches were supplied at the cost of the Catholic Mission of Madras, but they are now worn out and unserviceable. I have the honor to request that His Grace the Governor in Council may be pleased to issue orders in the Public Works Department for the supply of the benches required. The congregation attending the church is composed almost entirely of soldiers and Military pensioners; the few native Christian servants who frequent the church do not use any benches.

APPROVED and transferred to the Public Works Department for the necessary orders.

(True Extract.)

(Signed) W. HUDLESTON,
Chief Secretary.
