Civil Works.

Read the following paper :—

No. 165. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Fort St. George, 3rd August 1877, No. 2,500.

I HAVE the honor to submit, for sanction and allotment of funds, an estimate amounting to Rupees 280, for laying asphalté to the floor of the Book Depot in the Old College.

2. The Director of Public Instruction reports that asphalté flooring is very necessary, as the wear and tear is the greatest owing to the constant rolling in and out of bales of paper and heavy packages of books. He also states that the valuable stock of the Book Depot will be effectually protected against white-ants by asphalté flooring.

3. The estimate has received the approval of the Director of Public Instruction.

No. 166. ORDER THEREON, 16th August 1877, No. 600 W.
