Read the following paper:—

No. 187. From J. O'SHAUGHNESSY, Esq., District Engineer, Nellore, to the Chief Engineer, Public Works Department, dated Nellore, 13th August 1877, No. 1,722.

I REQUIRE 500 bags of rice at Kristnapatam and 1,000 bags at Cusbah for coolies en route from Iskapally to the southern extremity of the canal.

2. According to the prices quoted it will be cheaper to get the rice from Madras than to buy it here, and I request you will be good enough to arrange to have it sent up by boat as quickly as possible.

3. Arrangements will be ready made to receive the rice on arrival; it will be required at Kristnapatam in seven or eight days from this date. I may mention that the Collector advises me to get the rice from Madras.

4. I leave here to-morrow for Gudur, Dugarazapatam, Cusbah and Pulicat, and will report from the latter place what further supplies will be required by the coolies during the time the works up to Ennore are likely to be in progress.
