FROM

THE JOINT SECRETARY TO THE GOVERNMENT OF MADRAS,

Public Works Department, Irrigation Branch,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Public Works Department, Irrigation.

SIR,—With reference to the Circular No. 59, dated 19th October, of the Government of India in the Public Works Department, I am directed to bring to the notice of the Government of India that in 1864 the transfer of Fishery rents to Local Funds was deliberately sanctioned, and to request therefore that the settlement then arrived at may be allowed to stand.

Letter to Government of India, Revenue Department, No. 906, dated 27th May 1864.
Letter from Government of India, Financial Department, No. 1,084, dated 29th June 1864.

2. I am to point out that the Circular under notice would be applicable only to the fisheries in canals supplied by rivers, and to a few tanks which have been materially improved; that the rents which would be creditable to the Irrigation works, were the Circular acted upon in this Presidency would be very small; and that the present arrangement is an inducement to local authorities to protect and cultivate the fisheries. His Grace the Governor in Council hopes therefore that the Government of India will allow this arrangement to stand without modification. I am to add that the other items of miscellaneous revenue, mentioned in Mr. Hollingbery's letter No. 2,243, of the 31st July 1877, communicated with the Circular, are credited to the Irrigation works from which they are obtained.

I have the honor to be,

Sir,

Your most obedient servant,

Major, R.E.,
Ag. Under Secy. to Govt., P.W.D.,
Irrigation Branch.

In G. O. Revenue Dept. No 1422 of the 27th September 1875 it was intimated that the Government of India had in 1864 deliberately sanctioned the transfer of Fishery rents to Local Funds, and in G. O. P. W. D. No 504 of the 24th February 1876 the ruling was ordered to be adopted in modification of G. O. No 3278 of the 17 November 1874 para 4.

Major,

Offg. Under Secy. to the Govt. of India.

No. 2243, dated 31st July 1877.

From—R. H. HOLLINGBERY, Esq., Asstt. Secy. to the Govt. of India, Finl. Dept.,
To—Chief Secretary to the Government of Bombay.

With reference to the correspondence ending with your letter No. 3760, dated the 16th
June 1877, on the subject of the classification and adjustment of revenue derived by sale
of fisheries, grazing tax and sale proceeds of canal produce, I am directed to state that the
Governor General in Council concurs with the Government of Bombay, in the Public Works
Department, that there is an anomaly in crediting to Local funds revenue from the sale of
fisheries, &c., in waters created by the expenditure of Imperial funds, often extraordinary as
well as ordinary. Accordingly, all such revenue, grazing tax derived from canals and sale
proceeds of canal produce should be credited as Irrigation revenue.

Endorsed by Financial Department.

Copy forwarded to the Public* Works and Revenue Departments for information and
further orders, and to the Comptroller General, and the
Accountant General, Bombay, for information and guidance.
