No. 618. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Joint Secretary to Government, Public Works Department, Roads and Buildings Branch, dated Madras, 17th February 1877, No. 755:—

I HAVE the honor to submit, for the *early* sanction of Government, a revised estimate (Rupees 1,030) together with a comparative statement prepared by the Department Public Works, and a letter*
• No. 3,939, dated 12th February 1877. in original received from the Superintending Engineer, Chingleput District, showing an increase of Rupees 120 required for the Ennore station-house in the same district.

2. It will be observed that a sum of Rupees 910 was provided for the building according to the original estimate sanctioned for appropriation by the Department Public Works in 1876-77,† and that the additional expenditure (Rupees 120) now required is attributed to the insufficiency of certain rates entered therein.

3. There are no funds available at present for the purpose, and should none become available during the current official year the item (Rupees 120) will be included in the list of incomplete works due in April next.

From Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, to Lieut. Colonel C. S. HEARN, Inspector-General of Police, dated Camp, Myur, 12th February 1877, No. 3,939.
