No. 647. Circular No. 94, P.W. of 1876, from Government of India.

No. 647-A. Telegram from the Secretary to the Government of India, Public Works Department Calcutta, to the Secretary to Government, Public Works Department (Irrigation), Madras, dated 10th February 1877.

PLEASE revise parts one, two, and seven of Irrigation Budget for next year according to forms described in Clauses A to C of Public Works Department Circular No. 94 of 1876, and submit in manuscript to reach 22nd February at latest.

No. 120—W.

No. 648. *Note by the Chief Engineer for Irrigation.*

PARTS I, II and VII of the Irrigation Budget for 1877-78, corresponding to—

(1.)—Budget Estimate of Irrigation Revenue.

(2.)—Budget Estimate of Irrigation Expenditure, Ordinary and Extraordinary.

(3.)—Details of the Budget Estimate of Expenditure, Ordinary and Extraordinary, arranged by systems and objects of works, of the new form, revised under instructions* from the Government of India, are submitted for the information of Government.

2. The column "actual outlay to end of 1875-76" in Part I of the revised form has been left blank, as owing to separate accounts of expenditure against separate sanctions not having been kept in the Examiner's of Public Works Accounts Office, he has expressed his inability to arrive at the required figures without a delay of some months. But the subjoined statement prepared from information available in this office gives* the total outlay to end of 1875-76 against each system as regards "Works," the figures entered agreeing with those in the Administration Report of Capital Extraordinary Works for the year 1875-76. Under "Capital Ordinary" there is no outlay on the works budgetted for.

Statement showing outlay to end of 1875-76 *against each system of work under Capital Extraordinary.*
