*Proceedings of the Madras Government, Public Works Department,
27th February 1877. No. 658.*

No. 653. Read the following letter from Captain L. CONWAY-GORDON, R.E., Secretary, Public Works Code Committee, to the Secretary to Government, Public Works Department, dated Fort St. George, 24th February 1877, No. 9 P.W.C. :—

IN continuation of my letter No. I Public Works Code, I am directed to forward Chapter I of the Government of India Public Works Code similarly revised.

No. 654. ORDER THEREON, 27th February 1877, No. 658.

ESTABLISHMENT, No. 34-B.

IN circulating for general information and guidance the preliminary issue of Chapter I of the Public Works Code, His

Excellency the Governor in Council feels it necessary to point out to all officers of the department how greatly the removal of all defects in any Code of Regulations can be facilitated by the intelligent criticism of the officers who are called upon to carry these regulations into effect.

2. His Excellency, therefore, invites all District Engineers and Executive Officers to carefully read through this, and each succeeding Chapter of the Public Works Code as issued, with the object of placing before Government such suggestions as may occur to them for improving either the substance or the letter of the regulations.

3. The first and most important requisite in any Code of Regulations is that every order contained in it should be absolutely explicit and intelligible, and it is to this point, therefore, that the attention of the departmental officers should be principally directed.

In other respects, while it is probable that the wider experience of the senior officers will enable them to point out in nearly every chapter of the Code a few points on which the draft regulations may yet be either defective or impracticable, the attention of the junior officers may usefully be confined to a more thorough study of such portions of the Code as affect their own interests and every-day duties.

4. All suggestions whatever relating to the Code should be addressed to the Secretary, Public Works Code Committee, and if effect is to be given to them in the final issue of the first edition of the code, they should be received by the Code Committee within a reasonable time, say two months, of the preliminary issue of the chapter of the Code to which they refer. Suggestions will however be gladly received at any time, and will, if approved, be embodied in the Standing Orders by which the Code will from time to time be supplemented.

Read the following:—

LETTER FROM SECRETARY TO THE
PUBLIC WORKS CODE COMMITTEE NO. 9. P.
W. C. DATED FEBRUARY 23RD. 1877.

ORDER THEREON.

File

IN CIRCULATING FOR GENERAL INFORMATION AND GUIDANCE THE PRELIMINARY ISSUE OF CHAPTER I OF THE PUBLIC WORKS CODE, HIS EXCELLENCY THE GOVERNOR IN COUNCIL FEELS IT NECESSARY TO POINT OUT TO ALL OFFICERS OF THE DEPARTMENT HOW GREATLY THE REMOVAL OF ALL DEFECTS IN ANY CODE OF REGULATIONS CAN BE FACILITATED BY THE INTELLIGENT CRITICISM OF THE OFFICERS WHO ARE CALLED UPON TO CARRY THESE REGULATIONS INTO EFFECT.

2. HIS EXCELLENCY THEREFORE

INVITES ALL DISTRICT ENGINEERS
AND EXECUTIVE OFFICERS TO CARE-
FULLY READ THROUGH THIS, AND
EACH SUCCEEDING CHAPTER OF THE
PUBLIC WORKS CODE AS ISSUED,
WITH THE OBJECT OF PLACING BE-
FORE GOVERNMENT SUCH SUGGESTIONS
AS MAY OCCUR TO THEM FOR IMPROV-
ING EITHER THE SUBSTANCE OR THE
LETTER OF THE REGULATIONS.

3. THE FIRST AND MOST IM-
PORTANT REQUISITE IN ANY CODE
OF REGULATIONS IS THAT EVERY
ORDER CONTAINED IN IT SHOULD BE
ABSOLUTELY EXPLICIT AND INTEL-
LIGIBLE, AND IT IS TO THIS
POINT THEREFORE THAT THE ATTEN-
TION OF THE DEPARTMENTAL OFFI-
CERS SHOULD BE PRINCIPALLY DI-
RECTED.

IN OTHER RESPECTS, WHILE
IT IS PROBABLE THAT THE WIDER
EXPERIENCE OF THE SENIOR OFFI-
CERS WILL ENABLE THEM TO POINT
OUT IN NEARLY EVERY CHAPTER OF
THE CODE A FEW POINTS ON WHICH
THE DRAFT REGULATIONS MAY YET

56
BE EITHER DEFECTIVE OR IMPRACTICA-
BLE, THE ATTENTION OF THE JUNIOR OF-
FICERS MAY USEFULLY BE CONFINED TO
A MORE THOROUGH STUDY OF SUCH POR-
TIONS OF THE CODE AS AFFECT THEIR
OWN INTERESTS AND EVERY DAY DUTIES.

4. ALL SUGGESTIONS WHATEVER RE-
LATING TO THE CODE SHOULD BE AD-
DRESSED TO THE SECRETARY, PUBLIC
WORKS CODE COMMITTEE, AND IF EFFECT
IS TO BE GIVEN TO THEM IN THE FINAL
ISSUE OF THE FIRST EDITION OF THE
CODE, THEY SHOULD BE RECEIVED BY
THE CODE COMMITTEE WITHIN A REASON-
ABLE TIME, SAY TWO MONTHS, OF THE
PRELIMINARY ISSUE OF THE CHAPTER OF
THE CODE TO WHICH THEY REFER. SUG-
GESTIONS WILL HOWEVER BE GLADLY RE-
CEIVED AT ANY TIME, AND WILL, IF AP-
PROVED, BE EMBODIED IN THE STAND-
ING ORDERS BY WHICH THE CODE WILL
FROM TIME TO TIME BE SUPPLEMENTED.
