Most Respected Sir,

A few days back, the Superintendent of Prisons has here, me told me that the old Subordinary Jail which forms a portion of the Police Station can be used for the Registry Office and the convenience for the transfer of the building from this Department has been obtained. It is a large and strongly built hall worth not less than Rs 1500 with no ventilations. It requires a door way and 3 windows. At its present state it cannot be used for my office. The sum required for its repair will not exceed Rs 100. I have informed this to your honor in person.

On your return from Caritalam, I request your honor to inspect my office and the building in question. Then your honor will have a clear idea of the place and the inconvenient and unsafe state of the private building in which my office is at present held. Your honor will also be in a better position to

to see the necessity of appropriating the Government Building for the Registration Department and to recommend for the repairs required for its repair.

I beg &c.

The Registrar of assurances,

Sir,

In forwarding herewith a true copy of a letter from the Sub Collector, I beg to state that a hall of the old Taluq Kutcherri here, has been allowed for the holding of my Office: as it was once a gaol, it cannot be used for the intended purpose without some repairs. In order to convert it for an office, I think it will be better to have an accurate estimate prepared by the P. W. D. Department. It will be a saving of time to do this now, before requesting sanction for the sum by the Inspector General of Registration soon after the commencement of the next official year. Soliciting to communicate with the Superintending Engineer for the estimate.

I have &c.
