Explanation of necessity for
modifications applied for

The provision in the Budget for
for maintenance and repairs
is insufficient. There is no
provision in the Budget for
extensions and improvements
and Rs 1763 are required
under this head.

The grant for ordinary
agricultural repairs in the
North Arcot District is not
Rs 10,500 as shown by the
District Engineer. It is
Rs 86500. The balance available
for transfer under this
head is therefore Rs 10127
and not Rs 25727.

Rs 13727 further are
asked for repairs main-
tenance & repairs of an
ancient system. The Super
Engineer of this district has
been requested to communi-
cate the amount he can
surrender under the same
head for transfer to North
Arcot District District
