Dated	28-2-	1877.

Not to be folded or roughly handled

No. 713. Read the following letter from W. B. LEGGATT, Esq., Officiating District Engineer, Bellary, to the Secretary to Government, Public Works Department—through the Examiner of Public Works Accounts—dated Bellary, 1st February 1877, No. 4,576 :—

I HAVE the honor to solicit the sanction of Government to the disbursement of the sums specified in the accompanying statement, which are due to contractors, &c., who worked under the late Sub-Overseer Narrainsawmy Naidu in the Hospett Range of this district. These sums were charged to the works concerned in his accounts; but it has been proved that the money was not paid to the contractors and that sums to the extent shown in the statement are still due to them.

2. The Examiner of Public Works Accounts, who was addressed on the subject, states that the sanction of Government should be obtained to the amounts referred to being debited to "Profit and Loss, Local." That officer is also of opinion that the works cannot be again debited with the sums in question under paragraph 2 of the Note by the Accountant-General, Public Works Department, printed with G.O., No. 1,073, dated 29th April 1876.

3. In conclusion I beg to add that the Sub-Overseer was convicted and sentenced to five years' imprisonment, and to pay a fine of Rupees 1,000,—*Vide* my report printed with G.O., No. 1,908, dated 27th July 1876.
