Account.

Read the following paper :—

No. 38. From Captain J. L. L. MORANT, R.E., District Engineer, Nilgiris, to the Under Secretary to Government, Public Works Department, dated Ootacamund, 31st August 1877, No. 347.

In reply to your endorsement No. 242 W, dated the 30th instant, on letter from the Government of India, I have the honor respectfully to suggest that the reappropriation applied for in the latter communication be granted.

2. I have very nearly completed the plans and estimates for the new Telegraph Office, which I hope to submit with my explanation of the delay early next week. I find that a detached building will cost at least Rupees 27,000, and the proposed site is now sought for by a private party for Rupees 4,000. The whole question is beset with financial difficulties.

No. 39. ORDER THEREON, 4th September 1877, No. 695 W.

THE Government of India will be informed that the desired reappropriation can be made.
