SIR,—In continuation of my telegram of the 31st August in which I stated in reply to yours of the previous day that Upper Subordinates of other Provinces receive pay of next higher grade and have not claimed sub-divisional allowances, I am directed to inform you that in this Presidency sub-divisional allowances are only passed to *Overseers* who may be placed in charge of sub-divisions of ranges, and only so long as they may perform sub-divisional duties. An Overseer transferred from a sub-division to famine relief work would therefore ordinarily relinquish his sub-divisional allowance. In Bengal, however, it would appear that Supervisors and even Sub-Engineers draw sub-divisional allowances; but seeing that while employed on famine relief work in the Madras Presidency these men are receiving the pay of the next higher grade than that to which they may belong, His Grace the Governor in Council is of opinion that they cannot equitably claim sub-divisional allowances in addition.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R.E.,
Secretary to Government, P.W.D.
