*Proceedings of the Madras Government, Public Works Department,
2nd March 1877. No. 714.*

No. 36. Read the following letter from the Hon. P. MACFADYEN, Chairman, Chamber of Commerce, to the Secretary to Government, Public Works Department, dated Madras, 27th February 1877 :—

I HAVE the honor to inform you, with reference to the Proceedings of Government, Public Works Department, 12th instant, that the Chamber do not apprehend that much inconvenience to shipping operations will result from the demands that the Harbour Works will shortly make on the foreshore. The recent extension of the limits of the port has, to a great extent, provided against the difficulty that might otherwise have been experienced. It is, moreover, unlikely that imports will continue on the large scale that they have done during the last three months, or that exports will press heavily this year on the resources of the beach.

No. 37. ORDER THEREON, 2nd March 1877, No. 714.
