*Proceedings of the Madras Government, Public Works Department,  
2nd March 1877. No. 715.*

No. 38. Read the following letter from Major J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer for Irrigation, Public Works Department, dated Masulipatam, 15th February 1877, No. 152:—

I HAVE the honor to inform you that a suit has been instituted in Baupatla District Munsif's Court by Kambhampati Krishniah, &c., ryots of Marripoodi in Baupatla Taluq of this district, in which the Collector and I have been named as supplemental defendants, and to request early permission of Government to defend the case.

2. The facts of case as reported by Divisional Officer are these:—When the Commanoor canal was flowing full whole week, it was usual to let water into the said ryot's field supply-channel for two days weekly; but owing to reduction of supply this year to the range to half the week, the above field-channel supply was curtailed to one day. The complainants contend that whatever may be the supply of water of the range, their right to two days' supply should not be disturbed. Hence the suit.
