No. 106. Endorsement of the Chief Secretary to Government, dated Fort St. George, 29th August 1877, No. 1,656.

From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 22nd August 1877, No. 577/5,770.

I HAVE the honor, by order, to forward, for the consideration and orders of Government, a plan and estimate, Rupees 1,620, for the extension of the Roman Catholic Cemetery at Palaveram.

2. The cemetery is at present crowded with graves and Colonel F. G. Hodgson, the Military Commandant, recommends that, on sanitary grounds, early steps should be taken for its extension.

3. It is reported that the number of burials in this cemetery during the past four years has been as per margin, and that this year they have exceeded the average.

Years.	1873.	1874.	1875.	1876.
Number of burials	25	25	33	26
Of which have been military and their families.	12	12	10	14

4. It seems therefore necessary that the cemetery should be enlarged, but whether the whole cost of such extension should be a military charge seems doubtful. The matter is submitted for the orders of Government.
