No. 159. From Lieutenant-Colonel R. B. KENNEDY, R.E., District Engineer, Malabar, to the Chief Engineer, Public Works Department, dated Calicut, 17th September 1877, No. 93.

In forwarding an application from Lieutenant Dobson, R.E., Assistant Engineer in charge of Cannanore and Kurumbranad Ranges, for an advance of Rupees 500 to enable him to purchase a horse, I have the honor to recommend that it be made on the usual terms of repaying by six instalments, as his being in charge of two ranges necessitates his buying an extra horse.

From Lieutenant A. E. DOBSON, R.E., Assistant Engineer in charge, Cannanore Division, to Lieutenant-Colonel R. B. KENNEDY, R.E., District Engineer, Malabar, dated 15th September 1877, No. 216.

YOUR No. 129 of 12th instant. I have the honor to request that you will forward this my application with a favorable endorsement to the Chief Engineer, Public Works Department, for an advance of Rupees 500.

2. My reasons for asking for an advance are, that Government by G.O., No. 54 W of 17th May 1877, having placed me in charge of the Kurumbranad Range in addition to my own, I am compelled to buy a new horse to enable me to do my work with satisfaction to myself, and I hope satisfaction to you. As I have such very long distance to ride and have to be constantly on the move, I find my usual establishment is not enough. I am buying the horse solely to enable me to do Government work, as with gram at 4½ measures a rupee no one would think of increasing his establishment, and I beg therefore that you will forward this application for sanction. I cannot get a horse nearer than Madras, and before it reaches Cannanore it will have cost me considerably over Rupees 500.

No. 160. ORDER THEREON, 21st September 1877, No. 760 W.

THE advance may be made, and will be recovered by the usual instalments.
