*Proceedings of the Madras Government, Public Works Department,
6th March 1877. No. 762.*

No. 126. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 26th February 1877, No. 127:—

Read the following:—
Indent No. 135, dated 19th February 1877.

SUBMITTED to Government with reference to their Proceedings, No. 3,402, dated 14th December 1876.

2. The Agent in forwarding the Indent wrote thus:—"With my letter No. 2,252, of the 29th of September last, I forwarded copy of a report from the Locomotive Superintendent regarding the necessity of adding to his stock of workshop plant. In this report allusion is made to a "steam gauge testing machine," but in making out the Indent upon the Board of Directors this machine was omitted to be applied for.

"The Managing Director having called attention to this omission, the Locomotive Superintendent informs me it occurred in his office; he is sorry he did not discover it, as he is much in want of the machine, and that he has now prepared an Indent for it which I forward herewith."

3. The approximate estimate of the cost of the article is Rupees 510, which it is requested the Government of India may be asked to sanction.

THE AGENT,

Great Southern of India Railway,

To

The

Consulting Engineer for Railways
Madras

SIR,

With my letter No 2252 of the 29th of September last, I forwarded copy of a report from the Locomotive Superintendent regarding the necessity of adding to his Stock of Workshop Plant. In this report allusion is made to a "Steam gauge testing machine" but in making out the Indent upon the Board of Directors this machine was omitted to be applied for.

The Managing Director having called attention to this omission the Locomotive Superintendent informs me it occurred in his Office; he is sorry he did not discover it as he is much in want of the Machine, and that he has now prepared an Indent for it, which I forward herewith.

Will you please obtain the sanction of Government to my sending forward English Indent No 135 for one Steam gauge testing machine.

I have the honor to be

Yours Most Obedient Servant
W. H. H. Agent
