GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

24th September 1877, No. 771 W.

General.
Establishment.

Read the following paper:—

No. 181. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, dated Fort St. George, 10th September 1877, No. 3,220.

I HAVE the honor to submit in original a letter from the Executive Engineer, Adyar Junction Canal, together with a copy of the Examiner's Disallowance List, and to recommend that the sanction of Government therein solicited may be accorded to enable the Examiner of Public Works Accounts to pass the salaries of Overseer Jagganaikooloo Naidu and Thungavaloo Moodelly, which have been passed provisionally for the first month.

From Captain S. C. CLARKE, R.E., Executive Engineer, Adyar Junction Canal Works, to Major ROSS THOMPSON, R.E., District Engineer, Presidency, dated Fort St. George, 6th September 1877, No. 1,148.

With reference to your letter No. 3,150 of 5th instant, forwarding the disallowance statement from the Examiner of Public Works Accounts calling for certain information regarding the passing of the higher rate of pay to two of the Clerks temporarily appointed to this office staff, I have the honor to request you will obtain the sanction of Government to the exemption from enforcing the Public Works Department rules in the case of the two men named in the margin, under the following circumstances:—

Jagganaikooloo, Temporary Overseer; Thungavaloo, Temporary 1st Class Draftsman.

1st.—Jagganaikooloo (Head Draftsman) was recommended to be transferred from this office on the removal of Mr. Overseer Joyce to the temporary appointment of Overseer, as I considered him the best man for the post, and as it was very essential to appoint one whose character and capabilities I had some knowledge of, I put his name forward, and hope that as the appointment is a temporary one and the work strictly speaking a famine relief-work, that his not having passed the prescribed test for want of an opportunity of studying, will not debar him from holding the post; or from my having the services of one who, in my opinion, is quite competent to hold it.

2nd.—Thungavaloo has been recommended to fill the temporary post of Head Draftsman in this office, because he has shown considerable ability, and has worked very zealously since his appointment as Assistant Draftsman; the same reasons for relaxing the Public Works Department rules referred to in the former paragraph are urged in this individual's case as in that of the Overseer.

2 PUBLIC WORKS DEPARTMENT, 24TH SEPTEMBER 1877, No. 771 W.

No. 182. ORDER THEREON, 24th September 1877, No. 771 W.

THE Examiner is authorized to admit the salaries, the appointments being temporary in connection with Famine Relief.

Presidency District Engineers

Division or Office. List of Disallowances

from the *Famine*

Bill for *August*

1877.

Name and Rank.	Amount disallowed.	Reason of Disallowance.	Explanation by Executive and District Officers.
(a) Jagayakaloo Raider, overman. Pay for August 1877 Rs 60--		Paid provisionally pending receipt of information as to whether Jagayakaloo has paid the test prescribed for overman.	<i>Rs. 375-4-7-1/2</i> has not passed the prescribed test for overman - as his appointment is only temporary & connected with a Famine Relief work - there would appear
Thungavala Moot Draftsman differing between Rs 60 and Rs 50 for August 1877 Rs 10		Paid provisionally. Please state the authority under which pay is drawn at Rs 50 on behalf of Thungavala Moot.	to be no reason for creating the conditions laid down under which pay is drawn in the P.W. case at Rs 50 on behalf of Thungavala Moot. The same Remarks the salary warranted by an applicable to this the 2nd class Draftsman man's case.
		Certificate reported in the reply to Disallowance List of 12/5 as in his profession is only	a special letter will be addressed to Government through the correct channel on these points.

N.B. - This space should not be written upon as it is required for filling the list.
