GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

24th September 1877, No. 773 W.

General
Establishment.

Read the following paper:—

No. 185. Endorsement of the District Engineer, Salem, dated Camp at Yerramat-
toor, 3rd September 1877, No. 82 S L.

From R. J. LOWRY, Esq., Executive Engineer, Oosoor Division, to Major P.
MONTGOMERIE, R.E., District Engineer, Salem, dated Camp at Maranda-
hulli, 30th August 1877, No. 940.

I HAVE the honor to point out that in this range as the Marandahulli project has
already been commenced and, as the Barur project will be put in hand at once, these
together with the Pennagoondapooram tank project and the large additional number
of works that will require to be taken up to employ the able-bodied poor now, that the
Revenue Department have stopped all works, will bring on my office so large an amount
of work that with the office hands at their present strength, there is certain to be a
break down, as they could not possibly do the work.

My office consists of the following hands, viz.:—

One Accountant.
„ Deputy Accountant.
„ Draughtsman.

I would ask that these be supplemented by—

	RS.
1 Deputy Accountant on	25
1 Writer	25
1 Gumastah	15

May I request that you will forward this application to Government for their
favorable consideration.

SUBMITTED for the favorable consideration of Government.

The Range Officer has been directed to entertain the extra establishment in
anticipation of the sanction of Government.

(Signed) P. MONTGOMERIE, Major, R.E.,
District Engineer, Salem.

No. 186. ORDER THEREON, 24th September 1877, No. 773 W.

SANCTIONED for a period not exceeding six months. The extra establishment
should not, however, be retained longer than may be absolutely necessary.

2. This sanction has been registered as Provincial No. 19 W of 1877-78.

(True Extract.)

Colonel, R.E.,
Secretary to Government, P.W.D.

To the District Engineer, Salem.

To C For opinion
as to the necessity for
the entertainment of
the Extra Accountant.

W 6/9 W

I attach a rough note showing
the increase in expenditure.
There is no necessity for a second
Accountant in the division
but I presume the Insuf.
means "clerk": as I see he
calls the clerk on his
Permanent Establishment
a "deputy ^{accountant} ~~establishment~~".
Evidently I should say some
Extra aid is necessary.
