Specification to accompany the Estimate for making
an additional strong room for the Accountants General's
Office, vide District Engineer's No 1447 of 9 June 1877.

Amount of Estimate Rupees 920—

1. The Estimate provides for the safe custody of coin
in a room, by providing an iron barred door and 3
iron semicircular gratings.
2. In order to keep the bags free from white
ants a wainscotting of teak will be placed round
the room to the height of 5 feet and well tarred; the
floor will be laid with asphalt.
3. All openings except the door and 3 windows
referred to above will be blocked up.
4. Full details are given for the work in the
Plan and Estimate.
