*Proceedings of the Madras Government, Public Works Department,
10th January 1877. No. 78.*

No. 147. Read the following letter from Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Madura, 18th December 1876, No. 3,703:—

In continuation of my letter, No. 2,879, under date the 6th ultimo, I have the honor to state that, owing to the difficulty of obtaining the services of a passed candidate for a Taluq Overseer at the moment when Overseer Nagalingum Pillay was ordered away to Bellary for employment on Famine Relief Works, I have, with a view to avoid delay in carrying out works in the south Pereacolum, appointed, as a temporary measure, one D. Breckenridge Pillay, a passed candidate for the grade of Bengal Overseer, to act as 3rd Grade Taluq Overseer during the absence of Nagalingum Pillay on other duty.

2. The acting Overseer was called upon by me on the 21st November to state why he has not obtained a Taluq Overseer's Certificate under the new rules established in G.O., No. 1,237, of the 14th May 1872, in lieu of the Bengal Overseer's Certificate, to which no reply has as yet been received from him. The Pillay's application and its enclosure are herewith forwarded for your information.

3. As this young man appears to have had some experience in out-door works, and as the appointment is purely temporary, I request that you will be so good as to accord your sanction to the present arrangement as a special case, and to authorize the Examiner to pass his pay until such time as the permanent Overseer returns from Bellary.

No. 148. ORDER THEREON, 10th January 1877, No. 78.

ESTABLISHMENT, No. 8.

THE temporary employment of D. Breckenridge Pillay, as a Taluq Overseer of the 3rd Grade, is approved, until a fully qualified candidate is available for the post.

Breckenridge Pillai would gladly accept any post of the same pay (or upwards) that he now receives Rs 60 per mensem. He has given me perfect satisfaction, and I regret that he will be out of employment from the 1st of April. He is, as far as I have judged, quiet, intelligent, and respectable and fully qualified for an overseer and other posts.

The Beater Breckenridge Pillai served under my orders as Local Fund Overseer in the Wodiar pollam Taluk from July 1873 to May 1874. During this time I always found him zealous, hardworking and trustworthy. With regret his services had to be dispensed with owing to the permanent incumbent having returned to his duty and I shall be glad to hear of his re-employment in the Department to which I have no doubt he will do credit.

The District Engineer
Madura.

Most Respectful Sir,

I most respectfully beg to bring to your honour's notice that after receiving my education in the Madras Zillah School up to the Matriculation standard, I entered the Civil Engineering College in the year 1868 & passed out the Overseer's grade in the year 1870. Immediately I came to Tanjore with a recommendation letter from Captain Edgemoor then the principal of the College to Captain P. Montgomeri then the Asst. Superintending Engineer of Tanjore. From that time I was employed as overseer and District Road Surveyor in the Tanjore & Trichinopoly Districts up to the beginning of 1875 when I was recommended by Lieutenant Col. Law, then the District Engineer of

Trichinopoly to Mr Pennington Political Agent
of Pudukottah, where I was employed as a
Superintendent of Public Works which I left
by the order of the Political Agent after
receiving three months pay as gratuity. I
herewith submit for your honour's perusal
Certificates received both from the Range
Officers and District Engineer.

I have the honor to acknowledge the receipt of your letter of the 15th inst.

I beg to remain

Most Respected Sir

Your honor's most obedt Servant

J. M. Pennington
