„ estimate.

6th September 1877, regarding the estimate of Rupees 136 for repairing the store-shed at Pereacolum. This building is in charge of the Taluq Overseer, Pereacolum, and is used as a store-shed. I request that you will dispose of the estimate in such manner as you may deem proper. The tools being used on Local Fund roads, it seems to me that the store-shed should be repaired from those funds.

No. 224. ORDER THEREON, 28th September 1877, No. 793 W.

THE estimate of Rupees 136 is sanctioned for execution from Provincial Funds when these may be available. The Local Fund Board do not apparently desire to take over the bungalow, which should therefore be retained by the Public Works Department.

2. This sanction has been registered as Provincial No. 157 B of 1877-78.
