dated Madras, 13th February 1877, No. 100:—

Read the following:—

*Statement showing progress made in fitting Cow-catchers to locomotives on the Madras and

Railway.	Number of Engines on stock list including Tank Engines.	Number fitted during quarter.	Number fitted up to date.	Number of Engines still to be fitted.
Madras Railway	128*	9	53	75
South Indian Railway... ..	83†	6	29	54

* As per list to 30th November 1876.
† Do. to 30th December "

SUBMITTED for the information of Government in compliance with the request contained in their Proceedings, No. 1,518, dated 20th June 1876.

2. As regards the Madras Railway, the Locomotive Superintendent reports that of the fifty-three entered as fitted up to date, nineteen are still unattached to engines; and that the continual movement of the engines during the present pressure of traffic will probably delay the fitting of cow-catchers during the current half-year.
