GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

1st October 1877, No. 816 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 12. Endorsement of the Chief Secretary to Government, Public Department, dated Fort St. George, 25th September 1877, No. 1,816.
From Surgeon-General G. SMITH, M.D., Indian Medical Department, to the Chief Secretary to Government, Public Department, dated Fort St. George, 27th August 1877, No. 533.

IN continuation of my letter, No. 459, of 26th July 1877, suggesting the early erection of a kitchen for the use of the Matron Superintendent of the General Hospital, I have the honor to submit, for the consideration and orders of His Grace the Governor in Council, a letter from the Senior Medical Officer, General Hospital, in which he reports that the room hitherto used as a kitchen by the Matron Superintendent has been appropriated for the completion of the general kitchen of the hospital. It becomes therefore very desirable that another kitchen for the Matron Superintendent be erected as early as possible.

APPROVED and transferred to the Public Works Department for the issue of orders at an early date.

(Signed) D. F. CARMICHAEL,
Chief Secretary.

No. 13. ORDER THEREON, 1st October 1877, No. 816 W.

COMMUNICATED to the District Engineer, Presidency, for preparation of plan and estimate. It is remarked the plan and estimate were returned for revision on the 18th July 1877; the work should not be put in hand until the plan and estimate have been approved of.

SIR,

I have the honor to bring
to your notice that during the absence
of the Matron Superintendent on leave,
the room used by her as a kitchen
has been taken over for the completion
of the General Kitchen for the Hospital, and
will be unavailable for her when
she returns. It will therefore be
desirable that the kitchen sanctioned
for the Matron Superintendent should
be proceeded with, as soon as possible,
and I would beg to suggest that
application be made to the District
Engineer, Presidency, to that effect.

Sir

I have the honor to report for the information of His Grace the Governor in Council, that the fitting up of the new stove range at the General Hospital, and the arrangement of the Stewards' pantry on the second floor cannot be completed until the erection of the proposed small kitchen on the roof of the Hospital is finished, and to request that, as the District Engineer has not the necessary funds, there may be provided by Government as an exceptional grant, the necessities of the case warranting the requisition.

I have the honor to be
