GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

2nd October 1877, No. 819 W.

General.
Establishment.

Read the following paper :—

No. 18. From Major H. M. VIBART, R.E., District Engineer, Bangalore, to the Chief Engineer, Public Works Department (General Establishment), dated Bangalore, 26th September 1877, No. 127.

I HAVE the honor to forward the accompanying letter from the Examiner of Public Works Accounts, No. 20 B. N., dated 24th instant, and to inform you that, in accordance with the custom of the department, and in conformity with the rules of the Public Works Code, Chapter III, Section II, paragraph 30, and Chapter IV, Section I, paragraphs 47 and 48, I have advanced, at the request of the Adjutant, Queen's Own Sappers and Miners, in his docket, No. 10, dated 4th June 1877, Rupees 60 to Corporal Rundall to enable him to join his new appointment in Nellore.

2. I considered when the advance was made in June 1877 that I was acting in a manner quite consistent with the rules. This being the case I do not understand how the Examiner is justified in stating that he will retrench the amount from my pay. It does not seem to me that in those cases which are provided for in the rules of the department special sanction of Government is required in each case. If I am, however, wrong, I have the honor to request that the sanction of Government may be obtained. I may add that it is probable by this time that the whole of the advance is nearly recovered from the Corporal himself.

No. 19. ORDER THEREON, 2nd October 1877, No. 819 W.
