Dated	10-3-		1877.

No. 236. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Buildings and Roads Branch, dated Madras, 7th March 1877, No. 1,078:—

In forwarding the accompanying correspondence,* received from the Superintendent of Police, Ganjam District, I have the honor to request that early sanction be accorded for a transfer of Rupees 200 from "Construction" to "Repair" grant in the same district for 1876-77, as requested by the District Engineer, and, if the proposal meets the approval of Government, that orders be telegraphed to that officer for immediate information.

2. From the foregoing correspondence it will be seen that out of Rupees 800 sanctioned* this year for the Gurady Station-house, Rupees 200 cannot be expended on the work in 1876-77, and that a like sum is required for completing the repairs of the Town and Taluq Police Station-houses sanctioned in G.O., No. 1,207, dated 16th May 1876, Public Works Department, the current year's provision (Rupees 405) for repairs of the two buildings being found insufficient. The work appears to have been already commenced in anticipation of sanction, and a revised estimate for repairs will hereafter be submitted by the Public Works Department.

No. 237. ORDER THEREON, 10th March 1877, No. 823.

Sir
In reference to your post of 10th 1877 dated
31st January 1877 on Superintendent of Police
letter No 7 of 26th Esno. I have the honor to inform
you that the allotment of Rs 800 made towards the
Construction of the Police Station House at Borah
I regret to say cannot be fully utilized during the
current year. The Supervisor informs me that it
is owing to the great difficulty experienced in
procuring Bricklayers, Carpenters &c in that
locality. Almost all labourers of the kind pro-
-bable in Hindy and even in Chicago are
employed on the Palace and other masonry works
in progress in the Camp.

Under the foregoing circumstances I propose
giving up from the grant for the Borah Station
House Rs 200, this sum I request may be trans-
ferred towards the repairs of the Town and City
Station
