*Proceedings of the Madras Government, Public Works Department,
10th January 1877. No. 83.*

No. 156. Read the following letter from Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 13th December 1876, No. 2,354 :—

I HAVE the honor to inform you that Mr. Assistant Engineer Garrett, in charge of the Mannargudy Range, has applied for an advance of Rupees 400 for the purchase of tents, and proposes that it be recovered by monthly instalments of Rupees 50.

2. Mr. Garrett brings to notice that all the work in the range has to be done in tents, and that he finds the only one in his possession insufficient, the office tent being a single fly tent in not very good condition and comparatively useless in rainy weather.

3. Under these circumstances, I have the honor to recommend that the advance applied for by Mr. Garrett be made to him, and to solicit sanction of the same.

No. 157. ORDER THEREON, 10th January 1877, No. 83.

ESTABLISHMET, No. 9.
