With reference to paragraph 4 of G.O., No. 683, dated 28th February 1877, I have the honor to point out that such advances as are therein referred to should not be made in the Public Works Department.

2. The proper course appears to be, make provision for paying, with as little delay as possible, the amounts due on account of compensation for land taken up; and in the meantime any advance considered desirable could no doubt be made in the Revenue Department, as suggested by the Collector of Chingleput, and in due course recovered by him.
