No. 332. Read the following letter from Major H. M. VIBART, R.E., District Engineer, Bangalore, to the Acting Joint Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Bangalore, 5th March 1877, No. 234 :—

WITH reference to G.O., No. 476, of 12th February 1877, I have the honor to report that the amount required for the next repairs to the Cavalry Stables at Bangalore will be Rupees 5,198. This estimate provides for unroofing all the stables in which there are at present unsound palmyra rafters, and reroofing with junglewood rafters and bressummers. Should this amount be spent yearly for five years, the Cavalry Stables may then be considered in good order and likely to last for many years.
