*Proceedings of the Madras Government, Public Works Department,
15th March 1877. No. 881.*

Read the following papers:—

No. 369. From W. A. GOODCHAP, Esq., District Engineer, Kurnool, to the Secretary to Government, Public Works Department, dated Kurnool, 3rd March 1877, No. 15 K.R.

I HAVE the honor to bring to your notice the claims of this Office Accountant T. M. Munisawmy Pillay, as a special case, for your favorable consideration.

2. The Government were pleased to exempt him from passing the Uncovenanted Civil Service Examination in their Proceedings, No. 2,660, dated 15th September 1875, for service in the Public Works Department of the Kurnool District only.

3. He is desirous of entering the Account Branch of the Public Works Department and is prepared to pass the Entrance Examination; but as the candidates for admission to the department as an Accountant must have passed the General Test Examination of the Madras Uncovenanted Civil Service unless they have been exempted by Government, and as the concession so kindly made in the above Government Order has limited his services and prospects to the Public Works Department in this district only and not throughout the Presidency, he is unable to avail himself of the examination.

4. Munisawmy Pillay is quite competent to take charge of an office and is a good Accountant and well deserving of encouragement. I would respectfully request that you be good enough to reconsider the order with reference to his exemption for the Kurnool District only, and kindly extend the indulgence to the Presidency generally, as he will, in my opinion, be a great acquisition to the Accounts Branch of Public Works Department.
