No. 390. Read the following letter from W. B. LEGGATT, Esq., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 6th March 1877, No. 5,052 :—

I HAVE the honor to bring to your notice that, on the recommendation of the Range Officers, I have sanctioned the entertainment of a lascar on a monthly pay of Rs. 6 for each of the temporary Sub-Overseers of the 1st and 2nd Grades, appointed for the supervision of relief works—*vide* memorandum No. 1,526, dated October 1876.

2. The Sub-Overseers of the 1st Grade on the permanent establishment are allowed lascars under G.O., No. 2,494, of 29th July 1869, the temporary Sub-Overseers have similar work to perform, and it is necessary that they should have a lascar for the proper discharge of their duties.

3. The Examiner of Public Works Accounts passed the pay of the lascars in question provisionally, and suggests that the formal sanction of Government be obtained in the matter; I beg therefore that authority be granted for the final admission of the charges.

4. I solicit further that sanction may also be accorded to the entertainment of lascars for the eight additional Sub-Overseers, 1st Grade, ordered to be employed in G.O., No. 415, dated 6th February 1877.
