Read the following paper :—

No. 106. From Captain A. AWDRY, R.E., Acting District Engineer, Coimbatore, to the Chief Engineer, Public Works Department, dated Coimbatore, 21st September 1877, No. 87 CI.

I HAVE the honor to state that I have granted three months' leave on forfeiture of full pay to the two Taluq Writers as per margin to take up certain acting appointments in other offices of the Public Works and Revenue Departments and that they have applied for extension of the leave to continue in their acting appointments. As G.O. No. 169 of 20th September 1871 allows only three months in such cases, I referred the matter to the Examiner to ascertain whether the extension can be granted under Section 9, Supplement F, of the Civil Leave Code, and his reply is to the effect that if the extension be granted under this section the period of the leave will not in accordance with Section 44 of the Civil Pension Code count towards pension or gratuity, and at the same time he suggested to me to refer the matter to Government. I have therefore the honor to request information as to whether I can grant the extension of the leave so long as the individuals hold only acting appointments.

No. 107. ORDER THEREON, 11th October 1877, No. 970 W.

THE Governor in Council remarks that there is no occasion to grant the men in question leave. If the District Engineer can spare them, they should be appointed to act in the other office and draw pay accordingly.

I think this is a wrong reply was correct. There is no objection to the extension in principle. When acting in and the Dept. of the leave already granted if this Dept. of Officers transfer to the Taluk Writers in question, it is a transfer then for but such leave cannot count a time. It will not go towards pension on leave. but be a Dept. to act. This will in no way affect the right. It is difficult for the arrangement? accepting for leave. & the time will count for pension.
