Read the following paper :—

No. 118. Endorsement of the Secretary to Government, Military Department, dated Fort St. George, 2nd October 1877, No. 5,490.

From Major C. J. JENNINGS, Officiating Superintendent of Army Schools, to Brigadier-General R. C. STEWART, Adjutant-General, Fort St. George, dated Bangalore, 15th September 1877, No. 472.

I HAVE the honor to request you will be so good as to bring to the notice of His Excellency the Commander-in-Chief that there are now several Native Infantry Schools reorganized and located in suitable Government and other buildings, but they are without furniture.

2. In my letter, No. 227, dated 1st June 1877, I solicited sanction for the building of two school-rooms this year; but it would be a more advantageous expenditure of the money if only one were built, and the estimated cost of the other were applied to providing some of the reorganized schools with furniture.

3. In the original order of Government sanctioning school-houses and furniture for Native Infantry Regiments at a cost of Rupees 1,200 each, it was estimated that the cost of the furniture would be Rupees 200. If therefore the estimated cost of one building is applied to the purchase of furniture, it will be possible to furnish six of the reorganized schools, and as it is very desirable that those schools that have been reorganized and are provided with suitable school accommodation should also have furniture, I would ask that a grant of Rupees 200 each to six Native Infantry Regiments for the purpose of purchasing the furniture specified in G.O., No. 1,241, dated 10th April 1877, may be sanctioned, and that in lieu of two school-rooms one only may be built this year for the Native Army.

4. The schools of eighteen Regiments have been reorganized and there are now 3,091 pupils on the school books, viz., 780 adults and 2,311 children. Amongst the latter, 538 are in the Pyall schools; excluding these we have an average of 43 adults and 98 boys, or a total of 141 in each school.

I HAVE the honor, by order, to forward, for the consideration and orders of Government, letter No. 472, dated 15th instant, from the Officiating Superintendent of Army Schools requesting that, instead of two sums of Rupees 1,200 each being devoted this year for the construction of two new school-houses with furniture, one such sum be appropriated for a school-house and furniture, and that the other, Rupees 1,200, be granted for furniture alone for six schools, which are now established in unoccupied public buildings, but for which no furniture has yet been provided.

2. His Excellency the Commander-in-Chief recommends that sanction be accorded to this proposal, and that the Public Works Department be empowered to distribute the grant in the manner suggested.
