Proceedings of the Madras Government, Public Works Department,
20th March 1877. No. 986.

No. 568. Read the following letter from W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 14th March 1877, No. 5,223:—

I HAVE the honor to bring to your notice that the Examiner of Public Works Accounts states that the appointments of temporary writers sanctioned* for the Assistant Engineers, &c., employed on relief works should be filled by persons qualified under examination rules, and refers me to G.O., No. 2,441, of 13th September 1876.

2. The salary fixed for these appointments is Rupees 22 per mensem, but I find it impossible to procure the services of passed candidates for such temporary appointments. The appointments have been advertised in the local Gazette, and have been offered to several passed men whose applications were on record in this office, but no one will take up the appointments.

3. Under the circumstances I solicit sanction for the entertainment of unpassed men, as the services of clerks are greatly needed by the officers employed on relief works. These appointments will cease when the famine is over.

4. If the sanction applied for is granted, I should feel obliged by your intimating the same to me by telegram as the case is urgent.

No. 569. ORDER THEREON, 20th March 1877, No. 986.

ESTABLISHMENT, No. 26.
