Buildings and Roads.

Civil Works.

Read the following paper :—

No. 319. Endorsement of the Chief Secretary to Government, Judicial Department, dated Fort St. George, 23rd February 1878, No. 314.

From L. R. BURROWS, Esq., Acting President, Municipal Commission, to the Chief Secretary to Government, dated Madras, 22nd February 1878, E. No. 1,302.

I HAVE the honor to bring to the notice of His Grace the Governor in Council that the Superintendent of the Civil Jail in Black Town having complained of the bad smell of the municipal sewer which runs along the west side of the jail, I inspected the place on the morning of the 15th instant, and found that the smell proceeded from an untrapped connection between the jail and the sewer. I beg to forward an estimate, amounting to Rupees 19-2-1, for constructing a masonry trap in the connection, and request that Government will be pleased to sanction the work being carried out either by the Municipality or the Public Works Department at the expense of Government.

2. The escape of the sewer gas into the jail enclosure is most objectionable and dangerous to the health of the inmates of the institution.

TRANSFERRED to the Public Works Department for disposal.

(Signed) D. F. CARMICHAEL,
Chief Secretary.

No. 320. ORDER THEREON, 28th February 1878, No. 1,000 W.

THE work should be undertaken at once by the Municipality at the expense of Government. The District Engineer, Presidency, will disburse the cost.

EXECUTIVE ENGINEER'S DEPARTMENT,

Madras, 22nd February 1878

From

L. R. BURROWS, Esq.,

Acting President Municipal Commission.

To

The Hon'ble D. F. Carmichael
Chief Secretary to Government,
Fort St. George.

Sir,
I have the honor to bring to the notice of His Grace the Governor in Council that the Superintendent of the Local Jail in Black Town having complained of the bad smell of the Municipal Drain which runs along the west side of the Jail, I inspected the place on the morning of the 15th instant and found that the smell proceeded from an untrapped connection between the Jail and the Drain. I beg to forward an estimate amounting to Rs. 19-2-1 for constructing a Masonry trap in the connection and request that Government will be pleased to sanction the work being carried out either by the Municipality or the Public Works Department at the expense of Government.

2. The escape of the sewer gas into the Jail enclosure is most objectionable and dangerous to the health of the inmates of the Institution.

I have the honor to be,
