From, Mr. G. Burnell Esq.,
Sub-Engineer,
To,

The Secretary to the Government
of India in the Public
Works Department
Calcutta.

Sir,

After having allowed some little
time for the letter to which the enclosure
A refers, to reach you, I have the honor
to beg the very great favor of your
attention to the following:—

I have been sent from Rangoon to
this Presidency for service on the
Famine Relief Works, and now that
the operations are closed, I should
revert in the ordinary course to
the Province whence I came. I have
however a great desire to remain
in this Presidency and if the
Government will sanction this,
and at the same time place me
more on the footing in regard to
rank which I always held previous

to joining the Service five years ago; they shall have no cause for regretting the act of indulgence I crave.

A glance at the Extract B, herewith attached will I think prove my desire to do good Service and that I am quite able and willing to render satisfaction to any reasonable demands made on me.

I have the honor to be,

Sir,
Your most obedient servant.

James Burnell
Sub. Engineer
