GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Establishment.

Read the following papers:—

No. 347. From F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 16th February 1878, No. 73 W.

I HAVE the honor to lay before you for the consideration of Government some remarks which I feel it my duty to make regarding Mr. N. St. B. Beardmore, the Assistant Superintendent of these works.

2. As my own time is almost entirely occupied in the general control of these works, it falls on Mr. Beardmore to carry out all the surveys, sections, &c., at sea and on land which are matters of much importance, and which have to be done whenever circumstances will permit.

3. As a matter of fact Mr. Beardmore is obliged to keep three horses in order to do his work properly, whereas if he had not so much out-of-door work on his hands there is no doubt that two horses would satisfy all his requirements.

4. G.O., No. 2,502, dated July 30th 1869, sanctions a carriage allowance of Rupees 50 per mensem to Engineers who do not draw any other allowance.

5. I therefore respectfully ask that this allowance of Rupees 50 per mensem may be granted to Mr. Beardmore, and in asking for it I would draw attention particularly to the fact that it is not asked for as an increase of salary, but only as compensation for extra expenditure on behalf of Government which is unavoidably incurred by Mr. Beardmore in carrying on his work.
